

MURDERER EVANS.

Who is Wanted at Elkton, Md.
Dowell County, This State.

CAPTURED NEAR PITTSBURGH

And is Now in Jail in That City—He Makes a Desperate Resistance, Firing Twice at the Officer Who Arrested Him—He Murdered the Husband of the Dusky Beauty He Loved.

Pittsburgh, Pa., April 19.—Frank Evans, alias William Bland, a colored murderer, was arrested by Constable D. S. Beck, at Snowden, yesterday, and brought to Pittsburgh and lodged in Central station. Evans struggled desperately for freedom, and discharged several shots from his 38-caliber revolver.

The crime for which Evans was arrested was committed at Elkton, W. Va. Evans and Robert Watkins were both miners, and Evans boarded with Watkins, who had a pretty wife. It is said that Evans' attentions toward Mrs. Watkins became so marked that the husband ordered him out of the house. On March 4 the two men were working in the same room in the mine. That evening Watkins' body was found there with a ragged hole in his forehead and by his side was a blood-stained pickaxe. Evans had disappeared. When the murdered man's wife was notified, she said that about 11 o'clock in the morning Evans had come to her in great haste and begged her to elope with him. She refused and he left.

The authorities of McDowell county, W. Va., secured a good description of the man which they sent to Cincinnati, where it was supposed that he had fled. He was described as a yellow man with a reddish complexion, fairly good looking, light sandy mustache, weight 145 pounds, scar on the bridge of his nose from a sledgehammer blow. When he left he wore a pair of striped pants and a sombrero. One of these descriptions was sent to F. Z. S. Perogino, the employment agent. He recollected having seen such a man at Loganoke when he went to get some colored laborers to work at Snowden. He sent the description to Officer Beck, who discovered a man at Snowden whose description tallied with that of the murderer. The Snowden worker, however, went by the name of William Bland.

Yesterday evening the officer determined to arrest the man, and he went to Evans, or Bland, and placing his hand on the man's shoulder, exclaimed: "Frank Evans, I arrest you for the murder of Robert Watkins."

The negro sprang back livid with fear when he heard his own name announced. Then with a savage oath he drew his revolver and fired twice at the officer. His terror was such as to thoroughly unnerve him, however, and both bullets went wide of their mark. Before Evans could fire again Officer Beck closed in on him, and being a large, powerful man soon handcuffed the murderer.

This morning when Agent Perogino confronted Evans the latter gave an exclamation of recognition, but then became silent and refused to say a word.

THE FOURTH DISTRICT

Republicans Will Elect Two Delegates To-day and Declare for Harrison.

Special Dispatch to the Intelligencer.

POINT PLEASANT, W. Va., April 19.—Delegates to the Fourth district convention to be held here to-morrow to select two delegates and two alternates to the National Republican convention, are beginning to come in. Among this afternoon's prominent arrivals are Wm. M. O. Dawson, secretary of the state central committee; Postmaster H. M. Adams, of Huntington; D. E. Abbott, also of Huntington, who is a candidate for delegate to the Minneapolis convention. Senator Presley W. Morris, of Ritchie, who has gubernatorial aspirations, is expected in the morning.

Abbott will receive the unanimous vote of the lower end of the district for delegate and will probably go through with a rush.

W. N. Miller, of Parkersburg, is prominently mentioned for delegate from the upper end of the shoe strings. Both Abbott and Miller are Harrison men, and, in fact, the sentiment seems to be unanimous in favor of the President for a second term.

Delegates Elected.

Special Correspondence of the Intelligencer.

NEW MARTINSVILLE, W. Va., April 19.—The Republicans of Magnolia district, Wetzel county, met at the court house Saturday, April 16, and appointed the following named delegates:

State convention at Martinsburg—Delegates, J. S. McCaskey and A. B. Moore; alternates, H. C. Laremore and W. W. Selby.

State convention at Huntington—Delegates, J. W. McIntire and A. E. Cochran; alternates, J. E. McKidowney and John K. Denney.

Congressional (delegate) Clarksburg—Delegates, H. C. Laremore and H. K. Thompson; alternates, J. S. McCaskey and A. B. Moore.

Congressional convention—Delegates, Dr. K. B. Grim and Dr. W. R. Curtis; alternates, J. W. McIntire and A. B. Moore.

Senatorial convention—Delegates, John Bridgeman and Ervin Williams; alternates, George Schlobohm and G. W. Shepherd.

Delegate to Minneapolis.

To the Editor of the Intelligencer.

Sir: There are a number of subscribers to your journal in this third congressional district and I ask room to suggest for the consideration of the Republican convention at Hinton, on May 31, the name of Hon. B. F. Hall as a suitable man to send to the Minneapolis national Republican convention as a delegate. He comes from a part of the district which heretofore has been neglected.

His jovial, kind hearted and generous disposition make him popular among all the Republicans in this district. He is perfectly familiar with the will of all the Republicans throughout the district, as he is a member of the Congressional committee from Summers county, which cut down the Democratic majority from 250 to 70 in 1888. He is a hustler and sound on the currency, reciprocity and tariff questions. He has, in short, all the prerequisites.

NATIVE.

Note the following opinions of leading physicians and hospitalists as to the merit of

SILVER AGE RYE.

ALLEGHENY GENERAL HOSPITAL.

Max Klein's Silver Age Whisky has been used exclusively in this institution for medicinal purposes with good results.

F. T. FLECK, Superintendent.

ALLEGHENY, Pa., Nov. 21, 1891.

I have been in the drug business for the past fifteen years. Silver Age Whisky has never been mentioned as to purity, and always recommended by the medical profession.

NOT ON THE PROGRAMME.

Almost a Riot During the Emancipation Celebration in Washington.

WASHINGTON, D. C., April 19.—There was an exciting scene during the Emancipation Day parade yesterday that was not down on the programme, and bloodshed was barely averted. As the procession turned into the avenue from Nineteenth street, Northwest, a gun in the hands of a member of the visiting Baltimore Rifles was fired, and for a few moments a riot seemed imminent because of the efforts of the police to arrest him.

For a time the members of the company and the crowd on the street prevented the men's arrest, and it was not until a detail of officers arrived that he and two other persons under arrest could be taken. Reversely Johnson and John H. Coleman, both members of the Baltimore Rifles, were taken to the station followed by an angry and threatening crowd of several hundred negroes. Coleman was charged with discharging firearms in the street, and when searched at the station a loaded revolver was found on him. An additional charge of carrying concealed weapons was then entered against him and he was locked up.

Great indignation over the conduct of the Baltimore company is expressed by the other organizations forming the parade, and it is probable that the matter will be called to the attention of the governor of Maryland, as these militiamen violated the law by coming into the district with loaded guns.

Charters Granted.

Special Dispatch to the Intelligencer.

CHARLESTON, W. Va., April 19.—The secretary of state to-day issued the following charters:

Capital Publishing Company, for the purpose of establishing and conducting a printing, lithographing and publishing business. The principal office is at Harper's Ferry, W. Va. The capital stock is \$1,000, and the privilege is granted to increase at any time to \$100,000. Shares are \$100 each and are held by Joseph H. Stillwell and four others of New York City.

Also the Mason City and Pomeroy Ferry Company, for the purpose of running a ferry from Mason, W. Va., across the river to Pomeroy, Ohio. The principal office is at Mason, W. Va. The capital is \$9,000 and the privilege is granted to increase to \$50,000. Shares are \$100 and are held by H. D. Bailey and four others of Mason.

Bellaire.

All Sorts of Local News and Gossip from the Glass City.

The Eclipse stove works at Mansfield is owned by former Bellaire men. In fact the works moved from here to that town during the boom craze, and the serious strike they have on hands is read with peculiar interest here on that account.

The union molders went out on a strike and their places were filled with new men, who are kept at the works and are provided with rifles, shotguns and revolvers within easy reach of them, and have several tabs of vitriol with which to produce fearful doses should an attack be made upon them.

Miss Mary Murphy, of this city, was the successful contestant at the engineers' ball in Newark Monday night for a lady's gold watch. She turned in \$313.75 for it while her opponent, Miss Francis, had but \$81.10. The ball was a benefit for Fred Jacobs, the oldest living engineer of this division of the B. & O., who is now on the company's retired list.

Miss Josie Crowe, one of the teachers in the schools here having recently married and resigned, the following changes in teachers were approved by the board of education: Miss Ketta Pfaffenbach to succeed Miss Crowe; Miss Alberta Hoffman in Miss Pfaffenbach's place, and Miss May Kelly as office clerk in Miss Hoffman's place.

Another charge has been filed against Emil Schmidt for keeping his saloon open after 11 o'clock Saturday night. There seems to be some determination to break up the habit of violating this ordinance, but it is such a new thing here that some of the saloon men can hardly realize that the officers mean it.

The city council met in regular session last night with President Gavin presiding and all of the members present except Mr. Campbell, one of the new members from Gravel Hill. No important business was transacted, but President Gavin announced the appointment of the standing committees.

The bond of Frank Williams for \$15,000 as treasurer of the school funds was approved by the board at its last meeting. The presence of two banks here has revived the idea of a contest for the keeping of these funds, and after each election there is some disappointment over it.

Rodefer Bros. have not begun to rebuild yet, because the insurance money has not been paid. The limit of time for payment was up on Monday. Several of the companies are ready to pay their proportion, but there are a few very doubtful ones.

Charlie Zimmerman and Frank Arnett renewed their quarrel after both being fined by the Mayor, and Zimmerman was fined again for striking Arnett in the face. It was all about 25 cents and it cost nearly that many dollars and some bloodshed.

No one here seems to have ever known that there was an ordinance passed in '74 charging a fee for keeping express wagons, buggies and carriages for hire, but they are finding it out by postal card from the mayor just now.

The Young Peoples' Working society of the First M. E. church held an interesting meeting at the home of Miss Nannie McGowan, a daughter of Mayor McGowan, yesterday evening.

Joseph McDonald has been appointed assistant superintendent of the Bellaire steel plant. He is a capable young man, a brother of Harry McDonald, the superintendent.

The sporting hose teams have agreed upon terms and selected the judges and timers for their race next Friday evening. The race will be run on Union street.

Mr. Mord Nelson succeeds Mr. George S. Jennings as a member of the water works board Saturday evening at which time the new board will organize.

N. S. Hopkins has two years to handle on the driving course. This season and he will campaign one of them later in the season.

David Tarbet, an old resident of this township, who moved to Nebraska about three years ago, was buried there on the 4th inst.

Constable Richardson and John A. Peddicord want to succeed John Baugh as transit officer.

"Alas, Alas!" the dodo exclaims, "In my slender ankle I've got pains."

"Don't fret," said ma, "I have some Salvation Oil."

"Mr time is up," said the doctor to the patient, whom he found using Dr. Bull's Cough Syrup, and he was correct, for his cough had been cured.

THE LIFE SAVER.

Credit to Both Great Life-Savers.

A fireman belonging to one of our engineering companies has been called "The Life Saver," because he has snatched from burning buildings and sure death a dozen lives.

How much more should the title, "The Life Saver," be bestowed upon that wonderful medicine, Dr. Greene's Nervura, which has saved the lives of thousands upon thousands from the flames of devouring diseases—from such deadly Paralysis, Insanity, Heart Failure, Brain Fatigue, Shattered Nerves, Nervous Prostration, Pure Blood, Malaria, Stomach, Liver and Kidney diseases!

It is the true Saver of Life and Health, and should be used by all who are sick, weak, tired, nervous and prostrated. Take it now, do not wait until it is too late. It is the best Spring Medicine. Use it this spring, for you need and ought to take a spring remedy. More especially do you need it if you have had the Grip, and have been left by that disease with weak nerves, debilitated system, and prostrated energies. It will restore your strength and health immediately. Purely vegetable and harmless. Druggists, \$1.

"I had awful sensations of fear, with pains in head and back. Could not sleep well and felt tired all the time. I went to the hospital here, but got no relief. My face broke out with pimples and I was almost giving up in despair when I got Dr. Greene's Nervura. Now I am well and strong, thanks to Dr. Greene's Nervura."

MRS. ELIZABETH BROWN,

226 Hartwell ave., Providence, R. I.

Dr. Greene, the successful specialist, in curing all forms of nervous and chronic diseases, 33 W. 11th Street, New York, can be consulted free, personally or by letter. Call or write to him about your case or send for symptom blank to fill out, and a letter fully explaining your disease giving advice, etc. will be returned free.

MARTIN'S FERRY.

Accidents and Incidents in that Thriving City—Personal and Industrial.

There appeared on the Union bridge on Monday night a woman who acted so strangely that it is believed she intended to commit suicide. She walked down First street, accompanied by her child, a little girl, and after saying something to the child started to go up the stairway. The child followed, and catching her mother by the dress said, "Oh, mamma, don't!" The woman then rushed up the stairway and acted very strangely when about half way across.

A gentleman who saw her called two other men, and brought them back to Martin's Ferry after questioning her. She did not give her name, but said she lived in Martin's Ferry. No more was seen of her that night, and it is not known who she was or why she wanted to suicide. She wore a house dress and had her head covered with a shawl.

The sixth anniversary of the Y. P. S. C. E. was pleasantly celebrated in the Presbyterian church last night. The church was crowded with members of the Endeavor and friends from Martin's Ferry, Bridgeport, Bellaire and Wheeling. Miss Ida Hoyle, of Martin's Ferry, read an historical sketch of the society. Rev. Alford, of Wheeling, gave an interesting talk and the ladies' quartette, composed of Misses Gray, Williamson, Clark and Hoyle, rendered excellent music. The church was beautifully decorated.

The young daughter of John Spence was severely burned yesterday by her clothes catching fire. She had stepped on the fender to get something from the mantle, when her clothes caught fire, burning her severely about the breast and face. Mrs. L. Spence, who happened to be in the room at the time, succeeded in extinguishing the flames before the child was dangerously burned.

Messrs. George W. Tweedy and M. Aldridge were sworn in as members of the board of education on Monday night and Mr. Tweedy was elected president on the fifteenth ballot, after every member had been voted for. Mr. George B. Barr was elected clerk. His opponents were Messrs. Thomas Pugh and William Bowman.

McCabe Bros. have made arrangements to build a new two-story brick building, to adjoin their present building on Second street. The new building will be 21 by 50 feet, the first story to be used as a store room, and the second as a residence.

Conductor B. F. Smith, of the W. & L. E., attended the funeral of his sister at Columbus yesterday.

The health officer was around yesterday serving notices on parties to clean up their premises.

Dr. W. H. Hall was able to be on the streets yesterday, after a siege of the typhoid fever.

Mr. F. R. Sedgwick will soon begin the erection of a dwelling house on Hanover street.

Fresh Garden Seeds in bulk and package at J. Williams' grocery, on Washington street.

McCabe Bros. are enlarging their building on Second street.

Mrs. Elisha Harris, who has been sick, is improving slowly.
